# GENERAL INSTRUCTIONS

TO

## TRUSTEES, TEACHERS AND INSPECTORS

(1) The Register, after being filled up, must be retained by the School Board to be forwarded to the Inspector for examination if so requested.

(2) The Teacher shall, without extra remuneration, aid the Trustees in furnishing the information required in this Register.

(3) The aggregate attendance for each month in the year must be carried forward and entered in its proper place in the Summary of Attendance on the perforated sheets at the end of the Register, then detached and forwarded promptly with the Annual Report to the Inspector not later than the 15th January. The Inspector will divide the aggregate attendance by the number of legal teaching days, and thus determine the average attendance.

(4) The Inspector will see that the Attendance is properly added up. Children attending School in an adjoining city, town or incorporated village, shall have their attendance credited to the rural school to which they belong.

(5) The Trustees must transmit the Reports to the Inspector by the 15th January, signed by a majority of the Trustees and the Teacher, and attested by the Corporate Seal. The Minutes of the Annual Meeting should be forwarded to the Inspector on or before the 31st December.

(6) The Inspector is required by law to make an *apportionment* of the School Fund to all the Public Schools under his jurisdiction, whether entitled to it or not; but he cannot lawfully pay any portion of the Fund to a Section whose Trustees and Teachers have not complied with the requirements of the law. Cheques for School Moneys due a Section are payable to the order of the Trustees of the School Section. Schools using unauthorized text-books *cannot be paid any part of the Legislative School Grant*.

(7) In the case of R. C. Separate Schools, the Education Department supplies forms for the yearly report.

Teachers are requested, from time to time, especially in the Spring of the year, to direct the attention of their pupils to the following extracts from the "Act for the Protection of Insectivorous and other birds."

### **ACT FOR THE PROTECTION OF INSECTIVOROUS AND OTHER BIRDS.—Chap. 289, R.S.O. 1897.**

2.—(1) \* \* \* \* \* It shall not be lawful to shoot, destroy, wound, catch, net, snare, poison, drug, or otherwise kill or injure, or to attempt to shoot, destroy, wound, catch, net, snare, poison, drug, or otherwise kill or injure any wild native birds other than hawks, crows, blackbirds and English Sparrows, and the birds especially mentioned in *The Ontario Game Protection Act*.

(2) Any person may, during the fruit season, for the purpose of protecting his fruits from the attacks of such birds, shoot or destroy, on his own premises, the bird known as the robin without being liable to any penalty under this Act.

4. Save as in section 6 of this Act provided, it shall not be lawful to take, injure, destroy or have in possession any nest, young or egg of any kind whatsoever, except of hawks, crows, blackbirds and English sparrows.

5. Any person may seize, on view, any bird unlawfully possessed, and carry the same before any Justice of the Peace, to be by him confiscated, and, if alive, to be liberated; and it shall be the duty of all market clerks and policemen or constables on the spot to seize and confiscate, and, if alive, to liberate such birds.

8.—(1) The violation of any provision of this Act shall subject the offender to the payment of not less than one dollar and not more than twenty dollars with costs, on summary conviction, on information or complaint before one or more Justices of the Peace.

(3) In default of payment of the fine and costs, the offender shall be imprisoned in the nearest common gaol for a period not less than two and not more than twenty days, at the discretion of the Justice.

NOTE—Any person who desires to make a collection of birds or eggs for scientific purposes, may do so on obtaining a permit from the Chief Game Warden, application for which should be addressed to him, Parliament Buildings, Toronto (Ontario).

## FORMS OF PRAYER

---

### OPENING

Let Us Pray

Our Father, Who art in Heaven, Hallowed be Thy name, Thy Kingdom come, Thy will be done in earth as it is in Heaven ; give us this day our daily bread ; and forgive us our trespasses as we forgive them that trespass against us ; and lead us not into temptation ; but deliver us from evil. *Amen.*

---

### CLOSING

Let Us Pray

Most Merciful God, we yield Thee our humble and hearty thanks for Thy Fatherly care and preservation of us this day, and for the progress which Thou hast enabled us to make in useful learning ; we pray Thee to imprint upon our minds whatever good instructions we have received and to bless them to the advancement of our temporal and eternal welfare ; and pardon, we implore Thee, all that Thou has seen amiss in our thoughts, words and actions. May Thy good Providence still guide and keep us during the approaching interval of rest and relaxation, so that we may be prepared to enter on the duties of the morrow with renewed vigor, both of body and mind ; and preserve us, we beseech Thee, now and for ever, both outwardly in our bodies, and inwardly in our souls, for the sake of Jesus Christ, Thy Son, our Lord. *Amen.*

Lighten our darkness, we beseech Thee, O Lord ; and by Thy great mercy, defend us from all dangers and perils of this night, for the love of Thy only Son, our Saviour, Jesus Christ. *Amen.*

Our Father, Who art in Heaven, Hallowed be Thy name, Thy Kingdom come, Thy will be done in earth as it is in Heaven ; give us this day our daily bread ; and forgive us our trespasses as we forgive them that trespass against us ; and lead us not into temptation, but deliver us from evil. *Amen.*

The Grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost be with us evermore. *Amen.*

## SCHOOL TERMS AND ORGANIZATION.

Unless otherwise directed by the trustees, the pupils attending every Public School shall assemble for study at nine o'clock in the forenoon, and shall be dismissed not later than four o'clock in the afternoon. One hour at least shall be allowed for recreation at mid-day, and ten minutes during the forenoon and afternoon terms, but in no case shall the hours of study be less than five hours per day, including the recess in the forenoon and afternoon, provided always the trustees may reduce the hours of study for pupils in the First and Second Forms.

Pupils not registered in a Day School may attend a Night School from the first of October until the 31st of March. The hours of study in the Night School shall not exceed 2½ hours per session. Pupils shall not be admitted to a Night School who are under fourteen years of age or who attend school during the day. Night Schools shall be subject to the same regulations as Public Schools with respect to discipline of pupils, the duties and qualifications of teachers and the use of text books.

The course of study for Public Schools shall be taken up in five Forms as set forth in the Regulations, and pupils shall be classified by the teacher with respect to their attainments in all the subjects of the form to which they are assigned or from which they are to be promoted. Pupils who have passed the High School Entrance examination and such other pupils as are considered qualified by the Teacher and Inspector shall be entitled in both Rural and Urban Schools to receive instructions in the subjects of the Fifth Form, provided that, in a municipality having a High School, if resident pupils of the First form are not charged fees, it will not be deemed obligatory for the Public School Board to have a Fifth class. The amount of time to be given to any class is to be determined by the Teacher, who shall be guided in this matter by the Inspector.

## DUTIES OF PUPILS.

Every pupil registered in a Public School shall attend punctually and regularly every day of the school year in which his name is so registered. He shall be neat and cleanly in his person and habits, diligent in his studies, kind and courteous to his fellow-pupils, obedient and respectful to his teacher, and shall submit to such discipline as would be exercised by a kind, firm and judicious parent.

Every pupil on returning to school after absence from any cause, shall give orally or in writing to the teacher, a proper reason for his absence. A pupil may retire from school at any hour during the day, at the request, either oral or written, of his parent or guardian. A pupil may be suspended who fails or neglects to provide himself with the text-books or other supplies required in his course of study, or pay the fees imposed for such purposes by the Trustees.

Every pupil shall be responsible to the teacher for his conduct on the school premises or on the way to or from school, except when accompanied by his parents or guardians or by some person appointed by them on their behalf. Any pupil who injures or destroys school property or furniture may be suspended until the property or furniture destroyed or injured is made good by the parent or guardian of such pupil.

## CARE OF THE TEETH.

(1) In any case where a petition is presented signed by a majority of the parents or guardians of children attending the public schools and where provision has been made, without charge, by any Dental Hospital Board for the care of the teeth of the children of parents or guardians unable to pay for the same the Public School Board of any city, town or incorporated village may pass a resolution requiring that every pupil attending the Public Schools of such city, town or village shall be required once every six months either to produce, to the teacher of the school at which such pupil attends, a certificate from a duly qualified dental surgeon stating that the teeth of such pupil are in a sound and healthy condition and do not require dental treatment, or submit to have his teeth examined by a dental Inspector to be appointed as hereinafter provided.

(2) Every such school Board may by resolution appoint a duly qualified dental surgeon to be dental school Inspector for such city, town or incorporated village at such salary as such school board may see fit, and it shall be the duty of such inspector to visit the Public Schools of such city, town or incorporated village for which he is appointed every six months and to make an examination and inspection of the teeth of all Public School pupils attending such Public Schools who shall not have produced the certificate provided for in (1) preceding.

(3) It shall be the duty of every teacher of a school so visited by such dental inspector to require every pupil to be so examined, to submit to such examination, and for such purpose he shall direct that such pupil shall accompany such dental inspector to the hall of such school room or other convenient part thereof apart from the other pupils, there to be so examined by such dental inspector.

(4) Such inspector upon such examination being made shall forthwith report to such teacher in writing whether the teeth of such pupil are sound and healthy or whether they require treatment by a dental surgeon.

(5) It shall be the duty of the parent or guardian of every pupil whose teeth are found to be in such condition as to injure the health of the pupil or other children attending the school to have the teeth of such pupil properly treated forthwith by a dental surgeon, and no such pupil shall be permitted to attend such school until he has produced a certificate to the teacher from a dental surgeon stating that the teeth of such pupil have been properly treated and cared for.
